

Legacy Society Naming Opportunities

Housing Unlimited Inc.

Create a legacy or show your appreciation to a loved one.

Housing Unlimited will work with you to create a meaningful naming opportunity. All Legacy Society members receive an invitation to an exclusive luncheon or dinner, be listed on our website in perpetuity and receive a special annual thank you letter. You may also be eligible for additional naming opportunities like the ones listed to the right.

Please be sure to inform Housing Unlimited of your intentions so that we can thank you and recognize you as a member of the Housing Unlimited Legacy Society.
